With the [MÖBELMARKT international trade fair guide](#), we are again offering guidance and planning aid in 2020 to make it easier for you to navigate through the trade fair year. Worldwide, we have put together all relevant events for you: around 220 trade fairs in over 100 cities on all continents.

The spectrum ranges from smaller, more regionally oriented events to large mega-events with a global reach. In the exhibition guide 2020 you will also find a calendar overview as well as an alphabetical list of all relevant events arranged according to exhibition locations. The trade fair guide 2020 was included in the December edition of MÖBELMARKT and is now available online [here](#).
