At the end of January, Jamie Schneider (photo) will be responsible for Häcker Küchen GmbH as new

Sales Director UK.

With Schneider, the kitchen furniture manufacturer gains a sales professional with 32 years of kitchen sales experience. He is familiar with the British kitchen furniture and electrical appliance market and has worked for many years as a sales manager and executive in UK kitchen distribution, as well as being independent in the kitchen retail industry.

Jörg Varnholt, Sales Manager Export Europe, and the entire British field service team are still available to the customers and welcome the new colleagues: "We welcome Jamie Schneider as a new member of the Häcker family and wish him a good start and much success in his new Position," says Varnholt.
